

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

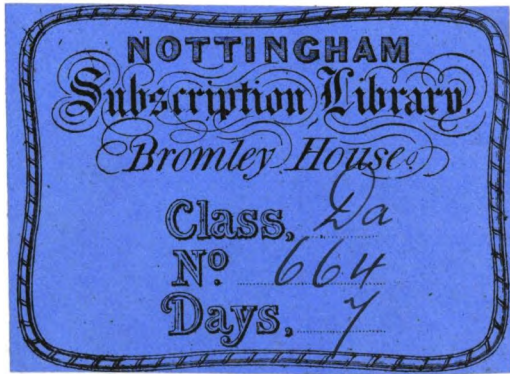

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. ## LENDING DEPARTMENT.

# RULES AND REGULATIONS

---

---

1.—The chief Librarian shall have the general charge of the Library, and be responsible for the safe keeping of the Books, and of all other property belonging thereto.

2.—The Lending Library shall be open to the Public every day (except Sunday, Christmas Day, Good Friday, and the first week in July), from Ten o'clock in the Forenoon until Nine o'clock in the Evening, uninterruptedly.

3.—No person shall be allowed to pass within the enclosure of the Library, or to take any book from the shelves, except by permission of the Librarian, and all visitors are requested to be as silent as possible.

4.—Books can be borrowed for perusal at home by all persons (above the age of 14 years), either rated for or resident in the Borough of Nottingham, on signing acceptance of these rules, and on the signature of another person, whose name is on the Municipal List of the Borough of Nottingham, to the following Voucher form :

I, \_\_\_\_\_ of \_\_\_\_\_ Street, in \_\_\_\_\_ Ward, declare that I believe  
\_\_\_\_\_ of \_\_\_\_\_ to be a person to whom Books may be safely entrusted for perusal, and  
I (my executors or administrators) hereby undertake to replace any Book or set of Books, belonging to  
the Mayor, Aldermen, and Burgesses of Nottingham, which shall be lost or injured while in the custody  
of the said \_\_\_\_\_ and also pay all fines which may be incurred, on his or her refusal.  
Dated this \_\_\_\_\_ day of \_\_\_\_\_ 18

When the person who has signed this engagement shall desire to withdraw from responsibility, he must give notice in writing to the Librarian, who will give a release as soon as it is ascertained that all liability has been discharged.

This Voucher must be delivered to the Librarian *two clear days* before the first issue of books to the person recommended.

5.—The borrower is required to give notice to the Librarian, in writing, of any change of residence, either of himself or herself, or of his or her Guarantor, within one week of such change, and in default of so doing, the card will be forfeited.

6.—The responsibility incurred by the above Guarantor's engagement shall terminate on the expiration of *two years* from the date of signature, when the borrower's card will be cancelled ; another Voucher form must then be filled up, and if duly signed, a renewal card will be issued.

7.—The Librarian shall enter in the books provided for the purpose, every book issued from the Lending Department, a copy of which entry will be made in the book delivered to the borrower.

8.—Borrowers are requested to report any damage to the books, that may have been done previously, within twenty-four hours from the time of taking such from the Library, and thus avoid any liability resulting from the same.

9.—It is desirable that books should be delivered to, and returned by the borrowers, personally, and in the order in which they enter the Library. When they cannot conveniently visit the Library, they are requested to send a responsible messenger competent to deliver their messages, and to take due care of the books.

10.—Borrowers returning their books are required not to leave them on the counter, or give them into the hands of other borrowers, but to deliver them to the Librarian or his Assistants—the borrowers being held responsible for books not so delivered.

11.—Borrowing cards or tickets are not transferable, and borrowers are cautioned against losing them, as they will be liable for any books taken out of the Library by the use of their tickets. These Tickets require to be renewed once every year, from the date of issue, by the Borrower in person. Lost tickets can be replaced on payment of twopence.

12.—Borrowers are required to keep the books clean, and not to turn down the leaves, or mark them with pencil or ink. It is also requested that they be kept from the hands of young children.

13.—Borrowers, ceasing to use the Library, are requested to return their tickets to the Librarian, in order that they may be cancelled, otherwise they or their Guarantors will be held responsible for any books taken out in their names.

14.—On applying for books, it is recommended that a list, giving the titles, class letter, and catalogue number, legibly written, in the order wanted, and headed by the name and number of the borrower, should be furnished to the Librarian.

15.—Borrowers cannot change their Books twice in the same day.

16.—All books must be returned within the time specified on their respective labels, but the time for reading may be renewed on application (at the discretion of the Librarian), except as to new books, current periodicals, and books which are required by other borrowers. In default, the fines therein stated will be levied, and in addition, the borrower's card is liable to be suspended or forfeited.

17.—No borrower is allowed more than one volume (or set of three volumes of a novel), at the same time.

18.—The Librarian shall carefully examine each book returned, and if the same be soiled (except by fair wear and tear), written in, marked, or otherwise injured, the borrower or his Guarantor must immediately replace such book, or set of books, to which it may belong, or pay for the damage: in case of refusal, the same shall be recoverable by action at law, in which action, the Mayor, Aldermen, and Burgesses of the Borough of Nottingham, shall be the plaintiffs, and the fact of their being the persons entitled shall be taken to be admitted by the defendant or defendants. When a new copy of a book, or set of books, is deposited or paid for (for one that has been injured), the person depositing or paying for the same shall be entitled to the damaged copy. Books stolen or lost shall continue the property of the said Mayor, Aldermen, and Burgesses, although replaced or paid for.

19.—The Librarian shall have power to refuse books to any applicant who shall neglect or refuse to comply with the rules and regulations of the Library, but any person so refused shall have liberty to appeal to the Library Committee, whose decision shall be final and binding.

20.—No book can be engaged beforehand. The borrower who first applies for a book, after it has been returned, is entitled to have it, provided he is not the borrower by whom the book has just been returned.

21.—All Books must be returned (irrespective of the time allowed for reading) on or before the last day of June, in every year, when the Library will be closed during seven days, for examination and repair of books, and at such other times as the Committee deem necessary—due notice of which will be posted in the Library. Neglect to return their books at such times, will subject borrowers to the suspension or forfeiture of their tickets.

22.—Printed catalogues may be purchased at the Library, and copies of the same, with manuscript catalogues of the current additions, are placed in the Library for reference.

23.—Books shall be kept by the Librarian, to receive any suggestions from readers as to any books they may consider desirable to be introduced into the Library, and also for any complaints of the Library or its management. These books will be laid before the Committee at each meeting.

N.B.—The Committee invite the co-operation of all who may use the Library, to carry out the above rules and regulations, which are framed solely for general benefit and convenience, and to render the Library as serviceable as possible to the greatest number.

THOS. R. STAREY, CHAIRMAN.
